Pastor's Corner

My Dear Parishioners,

Corresponding to the Paschal (Easter) season in the life of the Church and following the ancient tradition and practice of the Church, the sacrament of First Eucharist for our children takes place next Saturday morning.

But, it also has meaning for our whole parish family. We smile at the children in their first Communion finery—not just because they look cute—but because they are joining us at our family table: the table of God's family.

A toddler's move from high chair to the family table is a momentous event. A seat at the table acclaims a new status: big boy or big girl. The move to the table brings new privileges. There, a child can share fully in the family meal, and in the table conversation. The move also brings new responsibilities. The little one must have table manners, get involved in the meal prayer, and perhaps help set or clear the table.

First Communion is just such a momentous experience. A child, baptized as an infant into the family of God we call Church, at last takes a place at the Lord's table with the grownups. Grandparents, aunts and friends join the youngster's immediate family in celebrating the event.

Children who attend St. Sylvester Religious Education classes prepare for two years. Classes are held once a week on Wednesday afternoons. Our Director, Neale Steiniger and the First Eucharist Catechists plan together and work closely with the parents throughout this time.

You may not be present for this special Mass but I invite you to hold these children in prayer. Let us pray:

May these children of God grow in his grace through the guidance of the Spirit, and live always in the light and love that comes from our Lord Jesus Christ.

Keep smiling,
Fr. Jacob

Grandparents Corner

Christ is risen! Alleluia!

The Easter Season fills us with a sense of wonder, renewal, and an appreciation for life anew. We begin to see signs of new life springing up all around us. This holy season is a perfect time to seek out ways to pray, play and share our faith with our children and grandchildren.

- Spring Cleaning? Help your grandchildren in learning that less is more, and sharing is caring by donating gently used clothing and toys for those less fortunate (make use of the donation bin in our front parking lot).
- Take a 'Nature Walk'. Encourage the children to recognize God in His creation. Perhaps make a game of it; "Who can discover the most?"
- Plant a packet of seeds with your grandchildren and watch them grow!! If your grandchildren live a distance away, send them a packet of seeds to plant. Using facetime or e-mail, etc. watch as they begin to bloom.

SMALL TASKS

Each small task of everyday life is part of the total harmony of the universe. --St. Thérèse of Lisieux
